Mr Wade Phila Pa.
will this help you?
Read it:

This summer, we had a meeting of "Fair Play," at Kittenhouse sq. this city (checked by the Guards of Fairmount Park, they will recall such).

Lee was there with us. I have picture of this meeting to prove such.

Lee needed us a money, and he got some from Wright, but party never in party, in the house, and we helped us up. Every says he did not know who it was, & say of this is being made secret because we have Philadelphia press, and Lee was here this summer and here today.
